Health Declaration

Your **policy** contains restrictions, conditions and exclusions that relate to **your** health and to the health of others on whom **your trip** might depend. **You** must read the following information and be satisfied that this **policy** meets **your** needs.

Pre-existing medical conditions will not be covered unless they have **ALL** been declared, and accepted by **us** in writing. **You** must therefore ensure that **you** answer all questions about **yourself** and anyone else insured under **your policy** fully, honestly, and to the best of **your** knowledge, as failure to answer **our** questions accurately may affect the cover **we** provide and **our** ability to pay **your** claim. Please see page 4 for what **you** must do if **you** have a change to **your** health after purchasing **your policy**.

We are unable to provide cover for any **pre-existing medical condition(s)** where **you** have an undiagnosed **medical condition**, or a condition where **you** are currently on a waiting list, undergoing treatment, or tests or, where **you** are awaiting the results of any tests. There are some instances **we** may be able to provide cover for **pre-existing conditions** if **you** are awaiting surgery, (please see the Medical Declaration section on page 8 for more details).

If **you** have any questions about what cover will be provided by this **policy** in respect of **your** existing **medical conditions**, please contact Staysure Customer Services.

Please note: this **policy** does not **provide** cover for treatment that can be delayed and carried out after **your** repatriation **home** or for any private medical expenses where medically suitable state treatment is available. It is therefore a condition of this insurance **policy** that in the first instance **you** make use of any reciprocal health agreement between the **United Kingdom**, Channel Islands, or the Isle of Man and the country **you** have travelled to, should **you** require medical treatment whilst travelling.

For emergencies abroad call us first

(It may save you having to pay the policy excess)

For medical emergencies: if **you** are taken to hospital as an emergency by ambulance or other emergency service, **you** will need to make sure that **you** or a **travelling companion** call **us** within 48 hours.

For non-urgent medical help: if **you** need to see a **Doctor**, or need to go to Accident & Emergency or a clinic, **call us first**. This way **we** may be able to help **you** locate the safest and most appropriate source of treatment.

In either case **you** may reverse the call charges, or ask to be called back.

If **your** outpatient treatment is likely to cost more than £350 or **you** are admitted into hospital abroad, someone must call **Staysure Assistance** 24 hour medical emergency helpline as soon as possible. If **you** have to **cut short your trip** under Section 2 (**Cutting Short Your Trip** and **Trip Interruption**) or Section 3 (Emergency Medical and Repatriation) **Staysure Assistance** must authorise this in advance. Failure to contact **Staysure Assistance** may mean that **we** are not able to provide cover or **we** may reduce the amount **we** pay for **your** medical treatment, or additional travel expenses.

Where **you** have a valid claim and **your** medical expenses exceed £350 **we** will look to settle the bill directly with the medical provider where possible.

For non-medical emergencies: if something happens during **your trip**, and **you** need **our** help, please contact **us**. If **we** identify that the event causing the emergency is not covered by this **policy**, **we** will still try to assist **you** in resolving the problem, but it would be at **your** own cost.

PLEASE NOTE: This is a travel insurance policy and not private medical insurance.

Changes to your health after purchasing your policy

If after you purchase your policy, or before booking any new trips, any of the following happens:

- you are diagnosed with a new **medical condition**
- **your doctor**, or consultant changes **your** prescribed medication
- you receive inpatient medical treatment
- you are now awaiting a diagnosis, investigation, test results or medical treatment

then **you** must contact Staysure Customer Services. A member of the team will ask **you** specific questions about **your medical condition(s)**.

This may result in an additional **premium** to allow cover to continue, to add additional Terms and Conditions to **your policy** or to exclude cover for the newly diagnosed condition or for the condition that has undergone significant change.

If **we** are unable to continue to provide cover, or if **you** do not wish to pay the additional **premium** **you** will be entitled to make a claim under Section 1 (Cancellation) for costs which cannot be recovered elsewhere for **trips** booked prior to the change in health.

Alternatively, **you** will be entitled to cancel **your policy**, in which case, **we** will refund a proportionate amount of **your premium**.

Please note that **your doctor**, or consultant telling **you** that **you** are well enough to travel does not mean that **you** will be covered for **your pre-existing medical condition(s)**. If **you** have any concerns regarding whether, or not **you** will be covered please contact Staysure Customer Services.

Eligibility

In order to be eligible for cover under this policy you must also be:

- a resident of the **United Kingdom**, Channel Islands, or the Isle of Man for six of the last twelve months;

Countries with reciprocal health agreements

If **you** require medical treatment during **your trip** then in the first instance **you** must make use of any reciprocal health agreement between the **United Kingdom**, Channel Islands, or the Isle of Man and the country **you** have travelled to.

In the event of liability being accepted for a medical expense that have been reduced by the use of a reciprocal health agreement then **we** will not apply the deduction of the **excess** under Section 3 – Emergency Medical and Repatriation.

If **you** require medical treatment in;

- Australia – **you** must enrol with a local MEDICARE office
- New Zealand – **you** must go to a state medical facility and present **your** passport at the time of treatment

This insurance operates on the following basis.

To be covered, **you** must be fit and able to undertake **your** planned **trip** and;

- **you** are **NOT** travelling against the advice of a **doctor** (or would be travelling against the advice of a **doctor** had **you** sought his/her advice);
- **you** are **NOT** travelling with the intention of obtaining medical treatment, tests or consultation abroad;
- **you** are **NOT** travelling having been given a **terminal prognosis**

One of the following can be covered as standard if **you** are either awaiting surgery, or have not been fully signed off from all post-procedure follow ups providing **you** are not travelling against **your** UK **doctor's** advice.  - b) if the **appointed preferred law firm** or **our in-house lawyer** cannot negotiate settlement of **your accident** and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then **you** may choose a law firm to act as **your appointed representative**.
 - c) if **you** choose a law firm as the **appointed representative** who is not a **preferred law firm**, **we** will give **your** choice of law firm the opportunity to act on the same terms as a **preferred law firm**. However if they refuse to act on this basis, the most **we** will pay is the amount **we** would have paid if they had agreed to **our standard terms of appointment**.
 - d) the **appointed representative** must co-operate with **us** at all times and must keep **us** up to date with the progress of the claim.
- 2 a) **you** must co-operate fully with **us** and with the **appointed representative**.
 - b) **you** must give the **appointed representative** any instructions that **we** ask **you** to.

 - b) **you** must take every step to recover **costs and expenses** and court attendance that **we** have to pay and must pay **us** any amounts that are recovered.

9. if there is a disagreement between **you** and **us** about the handling of a claim and it is not resolved through **our** internal complaints procedure, **you** can contact the Financial Ombudsman Service for help. Alternatively there is a separate arbitration process. The arbitrator will be a barrister chosen jointly by **you** and **us**. If there is a disagreement over the choice of arbitrator, **we** will ask the Chartered Institute of Arbitrators to decide.

The expert must be approved in advance by **us** and the cost agreed in writing between **you** and **us**. Subject to this, **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that **you** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence.
